"VILLAGE TIDBITS"

By Toni Pelletier

IT'S A GIRL!! Jennifer and Tom Hayes at **ROCK N DOG** welcomed Eleora Bee on April 4, 2008. She's sooooo pretty. **Congratulations!**

CHAMELEON Fabrics - Furniture - Design, has two new people on the staff which is a "good sign" says Camay Arad, owner. Along with new help, a custom work room has been added. Also, Camay has 300 sq. ft. of prime space to share with someone wanting to start a small business. Possibly gifts. Check out their new custom furniture line "Changeable Chameleon". **Exciting!**

GINA'S, owned by Hilary Kuphal, has added a "tasty" item to the menu - her homemade, butternut squash ravioli - and it's wonderful. That's just one of her many dishes consisting of pasta, seafood, chicken, pizzas and all the trimmings. **Don't forget the wine and dessert!**

THE WARDROBE is bursting with new spring and summer arrivals. Tommy Bahama shirts, dresses for the mothers of brides and grooms, a great new Jean Line, Brighton Handbags. Also, just in time for Father's Day, June 15th, owner Lorna Scott is offering 1/3 off ALL men's wear (except for Tommy Bahama). **Check it out!**

Looking for a great building to buy? **EL TACO LOCO** is for sale. Marco Diaz has decided it's time to make the family happy and hopes to relocate to Arizona. So get your Mexican food fix while you can. My favorite is Pollo "Don Pancho". **MMMMM!**

Linda Osty at **OSTY INSURANCE AGENCY** is preparing for her "Support the Troops" Drive, July 4th. If you want to give, drop off at Linda's business, 116 W. Branch St., next to **DOC BURNSTEIN'S**. Please no liquids or anything that melts. Linda is a Blue Cross Agent. **SE HABLA ESPANOLI!**

A GREAT TEAM EFFORT AT BRISCO'S

by Tony Ferrara (and friend) with our trailer, Carolyn Kelley, Tom Goss, Kristen Barneich, Chuck Fellows, and Bob Lund

and CLARK CENTER

with Karen Franck, Tom Franck, Ken Huffine, Carolyn Huffine, Wayne Mills, Anne McCracken, and Mary Giambalvo.

At the Clark Center, all of the bushes (deeply rooted I might add) in the long planter were removed and the soil was loosened. All of the planting was completed and it is now looking great.

At the Brisco Lot, all of the brush was removed, the soil rearranged, heavy rocks and asphalt removed, the fencing removed, ivy removed and three Liquid Amber trees were planted and watered. We finished planting all the small flowers and covered it all with gorilla hair.

Tom Goss and I then took the huge truck load of shrubs and brush and concrete to the dump.

All of that took 51 hours of volunteer time and we are very proud of what has been done.

Also, big news, somehow the Catholic Cemetery on West Branch was cleaned up. A miracle I guess.
